To Whom It May Concern:

Geff Clark, know as Chef Gérard of the Mendon Country Inn, has partnered with Michigan State University to teach Master Cooking Class, International Cooking and Special classes since October 2003 in St. Joseph County.

Geff is a very knowledgeable Chef, has great teaching ability and makes his presentation interesting and entertaining for the class participants.

Geff has developed his own materials to meet the teaching objectives of each class. He always arrives prepared to demonstrate foods and keeps the class on schedule and ends on time.

Geff's worldly cuisine experience and knowledge of food preparation and enthusiasm for teaching others has changed many men and women's' approach to preparing foods.

Evaluations following classes indicate that participants are trying new foods, doing more scratch cooking and making more economical shopping selections. Participants also indicate that their families appreciate their new cooking abilities.

Sincerely,

Sally J. Carpenter
Extension Educator
